

Desflo

Topic: A simple inspiration gallery generator using the Behance API. Search for designs based on a keyword or color, and favorite those that stand out.

Audience: For designers or graphic illustrators with artist's block.

Design & Style: The design will be minimalistic and use a neutral color scheme based on shades of beige (shown below). The entire website will use a single font, Proxima Nova Alt.

#FFFFFF #D1CAC4 #DBD5D1 #857F7A

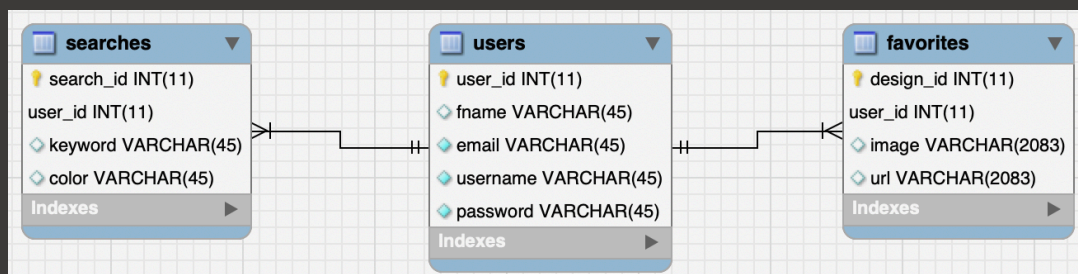

Design Inspiration:

- <http://tomkellyslack.com>
- <https://picular.co>
- <https://bit.ly/2Vt9a9G>

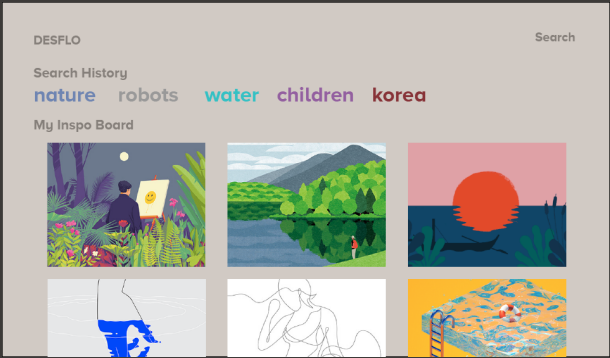

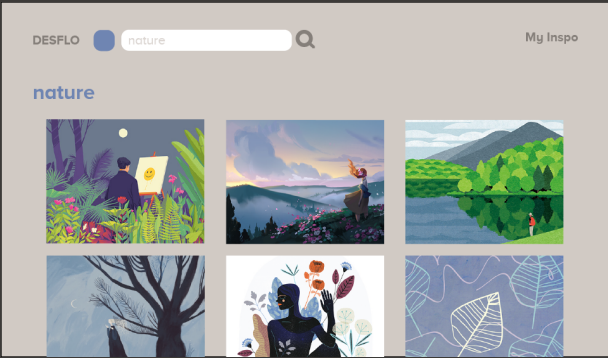

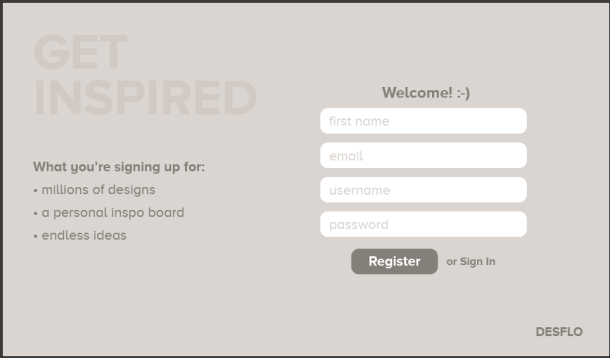

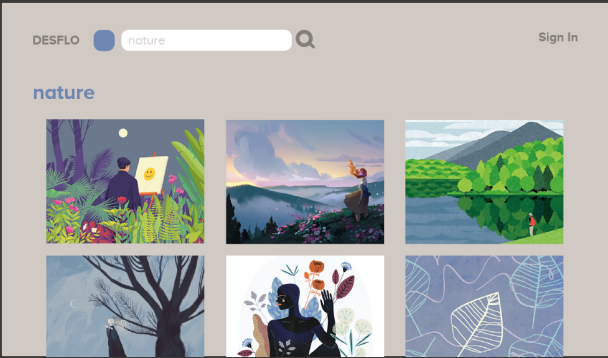

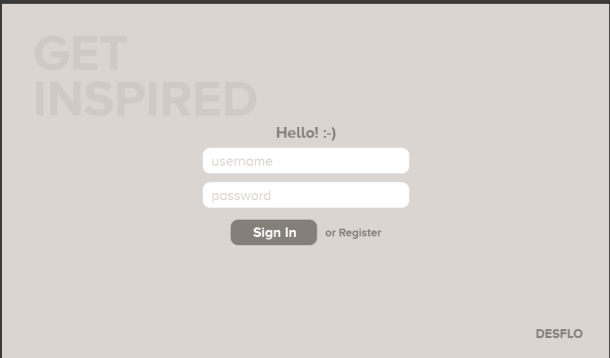

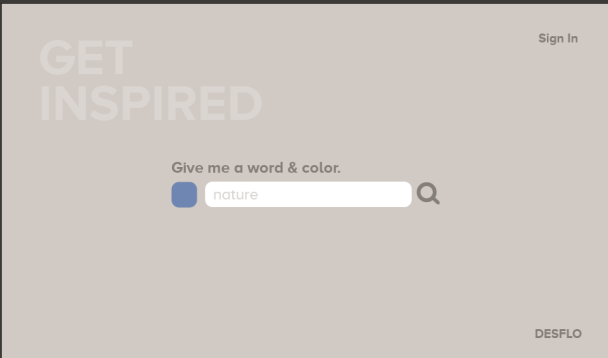

Scope: The website will have 5 pages:

1. landing page - plain background, search bar in center
2. search results page - inspiration gallery based on search results
3. user page - favorites gallery, search history
4. sign in page
5. registration page
